Lady Bears Regain Stride

by John Middlekauff

Northern's Lady Polar Bear field hockey team continued their "Jekyll and Hyde" personality. By playing some very excellent games this past week, as opposed to the week before.

On Monday (10/01), Northern paid a visit to Delone High School and came away with a well deserved overtime win 1-0.

Dominating play at both ends, Northern passed the ball well, they recovered well, and in the words of their coach, "Played together as a team". While the defense pressurized itself as Northern's strong points, the offense just could into get the ball in the cage. Finally in the overtime period, Sr. Beth Strayer was able to get her stick on the ball in front of the Lady Squire's goal and knock home the game winner. For Bethany that makes eight goals (I think) she has accounted for this season, and with an offense that continually struggles.

Tuesday (10/2), Northern made a return engagement under the lights to Boiling Springs but dropped a very tough 2-1 decision. This game was the kind players, coaches, and fans can smile about even in defeat. The Lady Bears really took it to their opponents. A sort of rocky beginning of the first half resulted in the Lady Bubblers getting an early 1-0 lead, but still the Bears stuck to them. Once again Northern's passing game showed marked improvement, and the defense really came through. The second half was pretty much a carbon copy of the first, and although Boiling Springs scored a second goal the Lady Bears did not quit. Displaying their regained "team" concept of field hockey, Northern just kept coming and coming. It finally paid off, as Sr. Ursula Reed notched the Northern tally but it was all the Bears could get.

This renewed effort by a talented, and awfully nice group of young ladies should have a very positive effect on the remainder of the schedule.

Blue Raiders Stomp Polar Bears

by John Middlekauff

Friday night (10/5) was Homecoming at Northern High School. The way the game was played between Middletown and Northern, you would have thought it was Christmas. Mistakes are always a part of any game, but in this one it was downright embarasing. Check these statistics! Both teams fumbled the ball away three times each, both teams managed to intercept a total of seven passes. That is a total of 10 turnovers that must have had both coaching staffs talking to themselves.

Take these stats, couple them with penalties, add a dash of mental gaffs, and you can draw a picture of how the Blue Raiders handled Northern 49-9. A look at the turnovers, especially for Middletown, and you see that the Blue Raiders showed that they are more mortals not like in previous years. But the stats are damning to a team like Northern!

A look at the first quarter will further illustrate the point. Northern elected to kickoff, and returman Jr. Robert Ridilla brought the ball all the way back to the Polar Bear 40. On Middletown's second play from scrimmage, SR QB Brian Huber lofted a TD pass that was called back due to a penalty (Mistake #1). Two plays later Middletown fumbled away the ball (Mistake #2). Now Northern had a chance to move! A 30 yard run by Sr. Clark Flohr put the ball at Middletown's 36. Two running plays and a short pass left the Bears short on fourth down at Mtown's 29. Northern gambled and went for the first down they didn't make it! Mistake #3?? I don't think so, that is easily four down territory! Middletown could not move, and had to punt the ball back to Northern. With the ball at his own 34, Phil Getty went up pop, but missed with his first two passes of the drive. On third down, he connected with Ryan Silver for 13 yards. After a five yard run by Flohr, Getty went back to the pass and his second one was picked off (Mistake #3) by the Blue Raider's Shane Souders who ran it back to the Northern 8. Two plays later Middletown scored. Following the Blue Raider kickoff, Northern was on the attack again! On another third down play, Getty lofted a pass to Bryce Silver this time, and as the two Middletown defenders ran into each other (Mistake #4) it was "Hi-Yo Silver" Northern T.D. the Bears opted for kicking the P.A.T., but when Middletown was flagged for running into the kicker, the decision was made to go for two. A straight running play (Mistake #5) was attempted without success. That gives you an idea of how things went in this one.

Northern's only other points came from a 29 yard field goal from Sr. Andy Spicher, following another Middletown fumble which followed another Getty interception at the start of the second quarter. Meanwhile Middletown began to unleash it's running attack and scored three T.D.'s in that same quarter to go up 28-9 at half-time.

At the beginning of the third quarter, trailing the Blue Raider's by 19, a decision was made that brought down the curtain on my Polar Bear chances. Dave Habowski brought back the second half kickoff to his own 26. A short run by Flohr and a short pass completion to Curt Heffellinger left the Polar Bears short of a first down by a good yard. With the ball on their own 35, Northern went for it! A run by Kevin Leitzel lost two yards and gave Middletown fantastic field position. On their first play, Sr. Mike Ash broke through the right side of his line and tore 33 yards to pay-dirt where he promptly fumbled only to have it recovered by one of his teammates for a touchdown.

I will not make any friends on this, but do I question this last fourth down gamble? You bet, especially when you have a good punter in Dave Habowski and especially when you are having a problem moving the ball on the ground (18 rushes/66 yards for the entire game). Ok, it is easier to sit in the pressbox and second guess!

This coming week, Northern will travel to East Pennsboro and take on the Panthers. It will be the third week in a row in which the Bears will take on an opponent that had been beaten by Red Land the previous week. As was the case then, as now, East Penn will also be looking to regain their winning ways. The Panthers have a very fine athlete in Sr. Quarterback Matt Fries, and a coming star in Sophomore Cory Gumby. Mr. Fries can throw the ball, and Mr. Gumby has excellent speed. Sizewise the Panthers are not that dominating, so that should not be a factor although the Bears may have the edge here. I unfortunately missed the Bears game at Milton Hershey, one that I felt they could win. I won't miss this one, and I feel this is another one Northern could win.

Bears stopped by East Shore

by Daryl Dissinger

On Sunday, October 7, Northern traveled to East Shore to play the East Shore Royals. The Peewees ran into an undefeated team that just outplayed the Polar Bears. This was to be the battle of the division leaders, however the strength of the Royals proved to be too much for the Bears as the Royals blanked the Peewees 46-0. Offensively for the Peewees: Tom Wesner rushed for 16 yards, Jason Gates rushed for 12 yards, Scott Magee was on the receiving end of a 23 yard pass from quarterback Tom Wesner. Northern's offensive totaled 51 yards.

Defensively Brandy Repman led the Peewees with 7 tackles, Jason Gates and Scott Magee 6 tackles, Ryan Napoli, Brad Perva, Nick O'Connor, Aenoi Koulavong had 5 tackles, Dustin Kipe, Tom Wesner, Josh Ormsbee 4 tackles, Mike Manoni 3 tackles. Head Coach Daryl Dissinger commented that the East Shore team was a very good football team. The Royals are a very well coached bunch. "They out played us at every position." The loss is only the Peewees second. They still lead the Division by 3 games.

Northern needs just one win in the next 4 games to clinch a playoff berth. On Saturday, October 13, at 6 p.m. Northern will be at home to play St. Margaret Mary Spartans. This is also parents night. Peewee's game kickoff at 6 p.m.

The Pony team delivered a great game both offensively and defensively.

On the offensive line, Jeremy Cook, Preston Repman, Ryan Rup, Anthony Tomassacci, Brady Minick, Tim Barrook, J.R. Crane, Tom Hand, Matt Gregonis and Ian Pegan worked hard at providing holes and protection for Tim Sturgeon, Rick Giles, Joe Puglia and Ryan Ritchey.

Defense also played a good game with a strong effort from all players. However, according to Head Coach Steve Ritchey, the defense needs to work harder to prevent the big plays.

East Shore was able to capitalize on two big offensive plays to maintain the lead with a final score of East Shore 19 Northern 12.

Best wishes from the Pony coaches, players and fans to Ryan Rupp who left the game with a broken foot.
